

## **GENERAL INFORMATION**

Milton is a town located in Southern Ontario, 40km west of Toronto. On the edge of the Niagara Escarpment, it is one of the fastest growing municipalities in Canada. Since opening the Mattamy National Cycling Centre for the 2015 Pan Am/Parapan Am Games, Milton became the home of Canadian Cycling.

The Mattamy National Cycling Centre is the only velodrome of its kind in Canada, and only the second in North America that meets top international standards. The multi-purpose high performance sports facility serves as both a community recreation facility and a venue for provincial, national and international events such as the Canadian Track Championships and the Milton International Challenge (UCI C1).

Working in close harmony with Cycling Canada and the Ontario Cycling Association, Milton is committed to meeting the needs of cyclists of all abilities for years to come.
