

## 2018 UCI JUNIOR TRACK CYCLING WORLD CHAMPIONSHIPS

AIGLE – SWITZERLAND

From 15th – 19th August 2018

### AIGLE

---

Nestled neatly between the towering alpine peaks of the Canton de Vaud-Valais divide, lies the charming town of Aigle home to the UCI World Cycling Centre since 2002. At only 400m above sea level on this flat and narrow glacial valley floor the peaceful town of Aigle is dwarfed by its snow-capped neighbours offering cyclists and visitors alike a truly unforgettable and diverse experience. Nearby to the west of Aigle lies the crescent like Lake Lemman stretching 70km or more into shimmering infinity and hosting world famous riviera towns such as Montreux, Vevey and the city of Lausanne, each of them unique in their outstanding natural beauty. World class train connections bring Aigle and the WCC to within an hour and a half of Geneva International Airport, offering excellent onward travel connections to all corners of the globe helping to establish Aigle and its surroundings as the obvious choice for an international event.
