## 1. QUALIFICATION SYSTEM AND UCI REGULATIONS

The qualification system for each event of the 2019 UCI Track Cycling World Championships presented by TISSOT is based on the 2018-2019 UCI Elite Track Ranking, drawn up at the end of the last round of the 18-19 TISSOT UCI Track World Cup (on 27.01.2018).

You may find in the various rules that apply for the selection to the 2019 UCI Track Cycling World Championships presented by TISSOT on the regulations page of UCI website:

### 3. REGISTRATION PROCEDURE

Please note that each National Federation taking part in the UCI Elite Track World Championships must register with the UCI all persons included in the delegation, using the interactive online system:

- Registration and accreditation of riders (deadlines specified hereafter)
- Accreditation of all persons included in the delegation (managers, trainers, guests, etc)

Each National Federation received a “login” and a “password” to register their riders official and guests directly on the Internet.

You need to use the same login and password for the two different online systems.

National Federations that do not have Internet access can claim registration forms at the UCI Sports Department—Track (according to article 9.2.003).

**Online registration is open:**

<p><b>From Monday, 4<sup>th</sup> February 2019 - 12h00 CET</b> <b>To Sunday, 19<sup>th</sup> February 2019 - 12h00 CET</b></p>

Unless prevented by an act of God, a National Federation that registered for a World Championship and that does not participate shall be liable to a fine of CHF 500 to CHF 2000 (article 9.2.005).

**NB: We strongly ask National Federations to give exact and accurate information of the Team Manager in the online registration system.**

#### 4. ACCREDITATIONS

Please note that each National Federation taking part in the UCI Elite Track World Championships must register with the UCI all persons included in the delegation, using the interactive online system:

 → Accreditation (managers, trainers, guests, etc...)

Please ensure that you collect your accreditation as soon as you arrive at the velodrome as it will be required for access to all parts of the venue. Accreditations are provided with a lanyard and must be worn and visible whenever you pass through accreditation controls.

You are responsible for the safe keeping of your accreditation. If your pass is lost or stolen, please inform the Accreditation Centre immediately. Any abuse of the system such as passing your accreditation to another person will be reported to the UCI and your accreditation may be withdrawn.

Team Accreditations can be collected from the Accreditation Centre at the velodrome during opening hours. UCI Accreditation Centre opening times are communicated in the Information Bulletin.

To avoid misunderstandings, the Union Cycliste Internationale has decided to fix a limit for the maximum number of accreditations which can be issued depending on the various organisations, which is as follows.

The number of accreditation cards is valid for a complete team; consequently, it will be adapted to the number of riders who will take part in the Championships.
