### AMENDMENTS TO REGULATIONS AS FROM 01.03.2018

Updated 2 February 2018

*(the modified sections are highlighted in red)*

## Chapter II GENERAL PROVISIONS

### § 2 Organisation

#### **Equipment and working environment for commissaires**

##### **Measuring jig for time-trial bicycles**

- 2.2.022 bis** Organisers of events that include a time trial must make a measuring jig for time-trial bicycles at disposal of the commissaires' panel. The jig must comply with the Protocol for the Construction available on the UCI website.

The organiser is solely liable for the compliance of the jig with UCI specifications.

The jig is given to the president of the commissaires' panel who verifies its compliance with UCI specifications.

##### **Support-commissaire**

When a support-commissaire is appointed to an event, the organiser must ensure that the commissaire will have a position in a location within the finishing area. This location will be equipped with TV screens that display the live footage (including TV motorbikes, TV helicopters and fixed cameras. This position must be private and ensure the privacy that the mission of the support-commissaire requires.

The organiser must also ensure that a technician will be available to assist the commissaire with operating the video equipment as necessary (rewind, slow motion, zoom in or isolate still images).
